ITEM 11

Information in regard to hotels, restaurants, sightseeing trips, shopping, airline and steamship services, climate, sports, entertainment is given to the public who write in, visit or telephone our office, and also to travel agents, airlines, steamship companies that serve Jamaica or, as in the case of domestic airlines, those having connecting services to the gateways of New York and Boston.

We had one major promotion during the reporting period in the month of September. This included concentrated sales visits to travel agents by our Sales Representatives and visiting hoteliers from Jamaica in the areas of New York, New Jersey, Connecticut and Boston. At this time, the agents were brought up to date on new facilities, attractions, hotels, etc.

During the reporting period Jamaica Nights were also held at Country Clubs where presentations were made to travel agents and business organizations on their request and posters and brochures were distributed to the group.

Through the courtesy of airlines serving Jamaica (Pan American, Eastern and Air Jamaica) and Jamaica hotels travel agents were invited to visit the Island and see our major attractions and hotels. We had eight familiarization tours in the period September through December.
